

Fall 2025

The Middle School Ministry at Christ Chapel is dedicated to walking alongside students as they navigate this significant stage of life. We help them explore the life-changing grace and love found in the good news of Jesus in a way that speaks to their questions and experiences. It's a place where they can connect with friends, have fun, and grow in their faith, supported by adults who care deeply about them, their families, and glorifying God together.
