Parking

Parking is available in the upper and lower parking lots at the West Campus and we have an incredible team to assist you.

Handicapped accessible parking and entrances are available. If this would be helpful, please let the Parking Team know and they will be happy to help.

If you are worshipping in the Worship Center, we recommend the upper parking lot off of Blessed Way or Russell Road. If the parking lot is already full, please follow the Parking Team's directions to the lower parking lot. Shuttles will be available to take you to the Worship Center and back to the lower parking lot after the service.

Parking for The Hive is available right off of the I-20 Frontage Road in the lower parking lot.

We recommend arriving 30 minutes before the service for your best experience.

Kids Ministry

If you have children ages newborn to fourth-grade, Kids Ministry is available during all worship services.

Kids Ministry staff and volunteers will be there to assist you in checking in and dropping your children off in their classroom. Pre-registration is not available.

If you have a child with special needs, we have a ministry just for them. Let our volunteers know at the Kids Ministry check-in desk and they will be happy to help you.
