

MSM SUNDAY MORNINGS

Sundays | 9-10:15 A.M. | The Basement

Give your middle schooler a place where they're known, valued, and growing. On Sunday mornings, students experience engaging worship and biblical teaching that connects to their everyday lives. It's more than just a program; it's a community where they can build friendships, ask honest questions, and begin to discover what it truly means to follow Jesus.

SUMMER NIGHTS

Sundays | 4:30-6 P.M. | The Basement

On select Sunday nights this summer, June 7, June 14, June 28, July 12, and July 19, your middle schooler will have the opportunity to go deeper in God's Word alongside friends. These evenings are designed to build on what they are learning on Sunday mornings and help them move from simply hearing truth to living it out as they develop spiritual habits that shape their everyday lives.

GRUB CLUB

Wednesdays | 12-1 P.M. | The Basement

Your middle schooler can join us in the Basement for fun Wednesday nights throughout the summer on June 10, June 24, July 15, and July 22. Each night includes time to hang out with friends, play games, and enjoy plenty of pizza in a relaxed space where they can laugh, connect, and build meaningful friendships.

GUYS NIGHT

Friday, June 12 | 6-9 P.M. | The Basement

MSM guys are invited to a high-energy night packed with fun, laughter, and all-around good times. This is a no-cost, minimal-registration event designed to make it easy for your middle school boy to bring friends. Our heart is simply to create another great space for guys to connect, build friendships, and enjoy a night made just for them.
