Parking

Parking is available across the Fort Worth Campus and we have an incredible team to help you.

If you need assistance parking or entering the building, we have handicapped accessible parking options along with valet parking available at the north Sanctuary entrance off of Montgomery Street.

If you are worshipping in the Sanctuary, we recommend parking in the lots off of Montgomery Street and Birchman Avenue or in the parking garage. If you are attending a service in the Chapel, the parking lot on the corner of Owasso Street and Pershing Avenue is closest.

In an effort to respect our neighbors, please do not park in front of any residences surrounding the Fort Worth Campus.

We recommend arriving 30 minutes before the service for your best experience.

Kids Ministry

From newborns to fourth-graders, Kids Ministry is available during all the worship services.

When you arrive, Kids Ministry staff and volunteers will be there to assist you in checking in and dropping your children off in their classroom. Pre-registration is not available.

If you have a child with special needs, we have a ministry just for them! Please come to the north Sanctuary entrance on Pershing Avenue and our team will be available to assist you with parking and finding your child's classroom.
